

Find Your Perfect Career Match

Make difference in the world around me.
Chevron Phillips Chemical's products have over 70,000 consumer and industrial applications.

Work side-by-side with industry leaders.
We hold over 2,500 patents.

Advancement opportunities.
We are known for promoting from within.

Freedom to design my own career path.
You can have multiple careers without ever leaving the company.

Training to keep my edge.
We offer numerous professional development opportunities.

Gain international experience.
We operate in seven countries.

Challenging work assignments.
But our work/life initiatives mean you will still have a life too.

Work on state-of-the-art equipment.
We are building facilities from the ground up overseas.

A stable and secure organization.
We are backed by Chevron Corporation and ConocoPhillips.

Your perfect job is waiting for you!
